COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF IIDL REALTORS PRIVATE LIMITED FOR THE YEAR ENDED 31 MARCH 2020

The preparation of financial statements of IIDL REALTORS PRIVATE LIMITED for the year ended 31 March 2020 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditor appointed by the Comptroller and Auditor General of India under section 139(5) of the Act is responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 15 June 2020.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of IIDL REALTORS PRIVATE LIMITED for the year ended 31 March 2020 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

On the basis of my supplementary audit nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditors' report under section 143(6)(b) of the Act.

For and on behalf of the Comptroller and Auditor General of India

INDEPENDENT AUDITORS' REPORT

To The Members of IIDL REALTORS Private Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of IIDL REALTORS Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash flows and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31ST March 2020, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

In addition to above, we draw attention to **Note No.63** of the financial statements, which is of such importance that it is fundamental/relevant to user's understanding of the financial statement. Our opinion is not modified in respect of this matter.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act

BRANCHES: DELHI * HAMIRPUR (H.P.)

for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies
 Act, 2013, we are also responsible for expressing our opinion on whether the company has
 adequate internal financial controls system in place and the operating effectiveness of such
 controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Scope limitation due to COVID 19

In view of the disruptions caused by Government imposed lockdown and social distancing norms being implemented in the country due to Covid-19, we have only been able to examine the accounts mostly from the system and original books of account and supporting documents underlying these financial statements could not be verified in majority of the cases. The management has provided us with the scanned copies of the various relevant documents for the purpose our audit. We were also not able to obtain evidence about the veracity of these scanned documents.

We wish to highlight that due to the COVID 19 induced restrictions on physical movement and strict timelines, the audit team could not properly visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:

- Inspection, observation, examination and verification of the original documents/ files;
- Verification of the adequacy and operating effectiveness of the internal financial controls;
- Verification of the title deeds of the Immovable properties of the Company;
- Observation with regard to access controls and data security;
- Any other audit procedure which require physical presence of the audit team.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required under section 143(5) of the Companies Act 2013, we enclose herewith, as per Annexure II and Annexure III, our report for the Company on the Directions and Sub-directions respectively, issued by the Comptroller & Auditor General ("C&AG") of India.
- 3. As required by section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

Ashok Aggarwal & Co. Chartered Accountants

- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure IV.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - According to information and explanations given to us, no managerial remuneration has been paid or provided by the Company during the year.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note No.61 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

IIDL Realtors Private Limited

Annexure I Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date on the account of IIDL Realtors Private Limited for the year ended March 31,2020:

1. (a) Whether the company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets;

The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) Whether these fixed assets have been physically verified by the management at reasonable intervals, whether any material discrepancies were noticed on such verification and if so, whether the same have been properly dealt with in the books of account;

According to the information and explanations given to us, the Fixed Assets have been physically verified by the management in a phased manner at reasonable intervals, and no material discrepancies were noticed on such verification.

(c) Whether the title deeds of immovable properties are held in the name of the company. If not, provide the details thereof;

As per the information and explanations given to us, the title deeds of the immovable properties are held in the name of the Company. Due to disruptions caused due to Government imposed lockdown in the country on account of COVID 19, we have not been able to verify the title deeds of the immovable properties of the Company at Mumbai.

2. Whether physical verification of inventory has been conducted at reasonable intervals by the management and whether any material discrepancies were noticed and if so, whether they have been properly dealt with in the books of account;

Physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed on such verification. The Company had only one land as inventory which has been sold during the year.

3. Whether the company has granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. If so,

According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.

(a) Whether the terms and conditions of the grant of such loans are not prejudicial to the companies' interest;

Not Applicable since no loan has been granted by the Company.

(b) Whether the schedule of repayment of principal and payment of interest has been stipulated and whether the repayments or receipts are regular;

Not Applicable since no loan has been granted by the Company.

- (c) If the amount is overdue, state the total amount overdue for more than ninety days, and whether reasonable steps have been taken by the company for recovery of the principal and interest; Not Applicable since no loan has been granted by the Company.
- 4. In respect of loans, investments, guarantees, and security whether provisions of section 185 and 186 of the Companies Act, 2013 have been complied with. If not, provide the details thereof.
 - In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5. In case the company has accepted deposits, whether the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, where applicable, have been complied with? I not, the nature of contraventions should be stated; If an order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal, whether the same has been complied with or not?
 - According to information and explanations given to us, the Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, with regard to the deposits accepted from the public, are not applicable.
- Where maintenance of cost records has been specified by the Central Government under sub-section

 (1) of section 148 of the Companies Act, 2013 and whether such accounts and records have been so made and maintained;
 - According to information and explanations given to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 in respect of the activities carried on by the Company.
- 7. (a) Whether the company regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities and if not, the extent of the arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable, shall be indicated by the auditor:

According to information and explanations given to us and on the basis of our examination of the books of account and records of the Company, the Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities, to the extent applicable to it, except that there has been delay in few instances of deposit of G.S.T.

According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2020 for a period of more than six months from the date they become payable, except G.S.T. payable to the tune of ₹ 21,130- which has been cleared in the subsequent year.

(b) Where dues of income or sales tax or service tax or duty of customs or duty of excise or value added tax have not been deposited on account of any dispute, then the amounts involved and the forum where dispute is pending shall be mentioned. (A mere representation to the concerned Department shall not constitute a dispute).

According to the information and explanations given to us, there are no dues of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax, which have not been deposited on account of any dispute. However the Company has received an intimation u/s 143(1) of the Income Tax Act, 1961 for AY 2018-19 wherein a demand of ₹ 1,10,66,190- has been raised on the Company.

8. Whether the company has defaulted in repayment of loans or borrowing to a financial institution, bank, government or dues to debenture holders? If yes, the period and the amount of default to be reported; (in case of defaults to banks, financial institutions, and government, lender wise details to be provided).

In our opinion and according to the information and explanations given to us, the Company has not taken any loan either from any financial institution, bank or from the government and has not issued any debentures.

9. Whether moneys raised by way of initial public offer or further public offer (including debt instruments) and term loans were applied for the purposes for which those are raised. If not, the details together with delays or default and subsequent rectification, if any, as may be applicable, be reported;

Based upon the audit procedures performed and the information and explanations given by the management, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company.

10. Whether any fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year; If yes, the nature and the amount involved is to be indicated;

Based upon the audit procedures performed and the information and explanations given by the management, we report that neither any fraud by the Company nor any fraud on the Company by its officers or employees has been noticed or reported during the year.

11. Whether managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act? If not, state the amount involved and steps taken by the Company for securing refund of the same;

According to information and explanations given to us, no managerial remuneration has been paid or provided by the Company during the year.

12. Whether the Nidhi Company has complied with the Net Owned Funds to Deposits in the ratio of 1: 20 to meet out the liability and whether the Nidhi Company is maintaining ten per cent unencumbered term deposits as specified in the Nidhi Rules, 2014 to meet out the liability;

Ashok Aggarwal L Co. Chartered Accountants

According to information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.

13. Whether all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards;

According to information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013, where applicable, and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

14. Whether the company has made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and if so, as to whether the requirement of section 42 of the Companies Act, 2013 have been complied with and the amount raised have been used for the purposes for which the funds were raised. If not, provide the details in respect of the amount involved and nature of non-compliance;

According to information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.

15. Whether the company has entered into any non-cash transactions with directors or persons connected with him and if so, whether the provisions of section 192 of Companies Act, 2013 have been complied with;

According to information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him.

16. Whether the company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and if so, whether the registration has been obtained.

According to information and explanations given to us, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

Annexure II to the Independent Auditors' Report

Report in terms of Directions issued by the C&AG of India under section 143(5) of Companies Act 2013 for the year 2019-20

1. Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.

During the year, the Company has followed the system of processing its accounting transactions through the Accounting Software 'Tally ERP'. All the vouchers are approved manually and the same are posted in the books of account maintained in the Tally Software only. However, it has been observed that there is a possibility of posting of entries in back date within the quarter of the financial year. Accordingly there are No Control Checks in place in Tally software to prohibit such back dated entries, which may have financial implications.

2. Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated.

During the year, there is no instance of any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company.

3. Whether funds received/receivable for specific schemes from Central/State agencies were properly accounted for/utilized as per its term and conditions? List the cases of deviation.

We have been informed that the Company has neither received nor any such funds are receivable by the Company for specific schemes from Central/State agencies for the year 2019-20.

IIDL Realtors Private Limited

Annexure IV to the Independent Auditors' Report of even date on the Financial Statements of IIDL Realtors Private Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of IIDL Realtors Private Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2020:

a) During the year, the Company has followed the system of processing its accounting transactions through the Accounting Software 'Tally ERP'. All the vouchers are approved manually and the same are posted in the books of account maintained in the Tally Software only. However, it has been observed that there is a possibility of posting of entries in back date within the quarter of the financial year. Accordingly the Company did not have an appropriate Internal Control System in place in Tally software to prohibit such back dated entries, which may have financial implications.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Ashok Aggarwal & Co. Chartered Accountants

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2020 standalone financial statements of the Company, and these material weaknesses do not affect our opinion on the standalone financial statements of the Company.

NOTES TO STANDALONE FINANCIAL STATEMENTS

Corporate and General Information

IIDL Realtors Private Limited (IRPL) (Formerly known as Ambitious Realtors Private Limited) is a Company registered under the Companies Act, 2013 which was incorporated in the year 2005. The company has been primarily engaged in the activities relating to Real Estate.

1. Significant Accounting Policies

1.1 Basis of Preparation of Financial Statements

The financial statements for the year ended March 31, 2020 have been prepared by the Company in accordance with Indian Accounting Standards ("Ind AS") notified by the Ministry of Corporate Affairs, Government of India under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) (Amendment) Rules, 2016, as amended from time to time, in this regard.

Further, the financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) including the rules notified under the relevant provisions of the Companies Act, 2013 (the Act).

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

1.2 Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency. All amounts have been denominated in INR and rounded off to the nearest two decimals, except where otherwise indicated.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.3 Basis of Measurement

The financial statements have been prepared on accrual basis and under the historical cost convention, except for the following material items:

- Financial assets at FVTOCI that is measured at fair value
- Financial instruments at FVTPL that is measured at fair value
- Net defined benefit (asset) / liability fair value of plan assets less present value of defined benefit obligation

1.4 Use of Judgements and Estimates

The preparation of financial statements requires estimates and assumptions that affect the reported amount of assets, liabilities, revenue and expenses during the reporting period. Although, such estimates and assumptions are made on a reasonable and prudent basis taking into account all available information, actual results could differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

1.5 Revenue Recognition

- Revenue from sale of property held as stock-in-trade is recognized upon transfer of possession or execution of sale deed, whichever is earlier.
- Rental Income is recognized after straightlining the same on the basis of tenure of the rental contract to ensure equated rental income throughout the entire contract period. The difference is recognized as asset / liability and knocked off in subsequent years.
- Interest Income from Bank Deposits is recognized on accrual basis on a time proportion basis.
- The company shall recognize revenue in accordance with Ind AS 115 "Revenue from Contracts with Customers" as and when any such revenue instance occurs.

1.6 Dividends

Dividends and Dividend Distribution Tax thereon are recognised if and only when the same are approved by the shareholders in the general meeting and consequently paid to the shareholders.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.7 **Employee Benefits**

a. Short Term Employee Benefits, Defined Benefit Plans and Other Long Term **Employee Benefits**

The company has had no employees (on their payroll) since the year of transition and thus there are no defined benefit plans for the employees. The company shall define employee benefits as and when the company has any employees to which such benefits are payable. The Employee Benefits that shall generally be recognized and paid are Gratuity, Leave Encashment, Provident Fund, Medical Benefits etc. and shall be taken on an as is basis from the Company's Holding Company - IFCI Infrastructure Development Limited.

The Company's net obligation in respect of defined benefit plans shall be calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current costs and the fair value of any plan assets, if any is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Accrued Benefit Method (same as Projected Unit Credit Method), which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contribution to the plan.

The change in defined benefit plan liability is split into changes arising out of service, interest cost and re-measurements and the change in defined benefit plan asset is split between interest income and re-measurements. Changes due to service cost and net interest cost / income is recognized in the statement of profit and loss. Remeasurements of net defined benefit liability / (asset) which comprise of the below are recognized in other comprehensive income:

Actuarial gains and losses;

• The return on plan assets, excluding amounts included in net interest on the net

defined benefit liability (asset)

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

1.8 Income Tax Expense

Income Tax expense comprises of current tax (i.e. amount of tax for the period determined in accordance with the Income Tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of temporary differences between tax base and book base). It is recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

1.8.1 Current Tax

Current tax is measured at the amount expected to be paid in respect of taxable income for the year in accordance with the Income Tax Act, 1961. Current tax comprises the tax payable on the taxable income or loss for the year and any adjustment to the tax payable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss.

Current tax assets and liabilities are offset only if, the company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Du

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.8.2 Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are reviewed at each reporting date and based on management's judgement, are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognized deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if the Company:

- a) has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

1.8.3 Current and Deferred Tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

1.8.4 Minimum Alternate Tax (MAT)

The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set – off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.9 Property, Plant and Equipment, Intangible Assets and Investment Property

1.9.1 Recognition and measurement

<u>Property, Plant and Equipment</u> is initially measured at cost of acquisition/construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Property, plant and equipment held for use or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. The cost includes non-refundable taxes, duties, freight and other incidental expenses related to the acquisition and installation of the respective assets.

Property, Plant and Equipment acquired as replacement of the existing assets are capitalized and its corresponding replaced assets removed / retired from active use are derecognized.

If the cost of the replaced part or earlier inspection is not available, the estimated cost of similar new parts / inspection is used as an indication of what the cost of the existing part/ inspection component was when the item was acquired or inspection was carried out.

After initial recognition, Property, Plant and Equipment is carried at cost less accumulated depreciation / amortisation and accumulated impairment losses, if any.

In the case of commissioned assets, deposit works / cost – plus contracts where final settlement of bills with contractors is yet to be affected, capitalization is done on provisional basis subject to necessary adjustments in the year of final settlement.

Spares parts, standby equipment and servicing equipment which meets the recognition criteria of Property, Plant and Equipment are capitalized.

FRN T05422N * Dyll HI

ww

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

<u>Investment properties</u> include those portions of land and buildings that are held for long-term rental yields and/or for capital appreciation or for a currently indeterminate use. Investment properties include properties that are being constructed or developed for future use as investment properties.

Investment properties are stated at cost of acquisition / construction less accumulated depreciation. On disposal of an investment property, the difference between the disposal proceeds and the carrying amount is recognised in profit or loss.

Method of Depreciation used is Straight Line Method and the useful life of the asset taken is 60 years.

On the date of transition to Ind AS, the Company has considered the carrying value of Investment Properties (if any) as per previous GAAP to be the deemed cost as per Ind AS 101.

<u>Intangible assets</u> are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

An item of Intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

1.9.2 Depreciation / Amortization

Depreciation is provided using the Straight Line Method over their estimated useful life as prescribed under Schedule II to the Companies Act, 2013 or based on Management assessment of useful life, if lower than what is prescribed under the schedule. Depreciation is calculated on pro – rata basis, including the month of addition and excluding the month of sale / disposal. Leasehold improvements are amortised over the underlying lease term on a straight line basis. Residual value in respect of items of Property, Plant & Equipment and Investment Property are considered as 5% of the cost. Property, Plant and Equipment costing less than Rs. 5000/- individually are charged to the statement of Profit & Loss Account in the year of their purchase itself.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

Intangible Assets consisting of Computer software with indefinite period utility / user rights and having a useful life lasting with that of the equipment have been capitalized with the cost of computer. Software carrying an identifiable utility of at least five years is amortized on a straight line basis over a period of five years from the date put into use. Software with limited edition / period utility i.e. requiring annual revision is charged to Statement of Profit and Loss Account in the year of purchase.

1.9.3 De - Recognition

An item of property, plant and equipment or investment property is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment or investment property is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in profit or loss.

1.9.4 Transition to Ind AS

The Company has elected to continue with the carrying value of all of its Property, Plant and Equipment and Investment Property recognised as of the transition date measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date as per Ind AS 101.

1.10 Impairment of Non - Financial Assets

At each reporting date, the Company reviews the carrying amount of its non—financial assets (other than assets held for sale and deferred tax assets) to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of the cash inflows of other assets or CGUs. The 'recoverable amount' of an asset or CGU is the greater of its value in use and its fair value less costs to sell. 'Value in use' is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

Impairment losses are recognised in profit and loss. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.11 Foreign Currency Transactions

The expenses and income in foreign exchange transactions are accounted for at the rates prevailing on the date of transactions / at the forward rate, if booked, for such transaction. Assets and liabilities held in foreign currencies and accrued income and expenditure in foreign currencies are translated into Indian Rupees at the rates advised by Foreign Exchange Dealers Association of India (FEDAI) prevailing towards the close of the accounting period. Gains / losses, if any, on valuation of various assets and liabilities are taken to Statement of Profit & Loss

1.12 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. The same is done in accordance with Ind AS 116 - "Leases".

1.12.1 The Company as Lessor

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases.

Rental income from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

1.12.2 The Company as Lessee

Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

1.13 Provisions and contingencies related to claims, litigation etc.

1.13.1 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on management estimates required to settle the obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

1.13.2 Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

1.14 Contingent Liabilities and Contingent Assets

1.14.1 Contingent Liabilities

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

1.14.2 Contingent Assets

Contingent assets are disclosed in the financial statements where an inflow of economic benefits is probable.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.15 Assets held for sale

Assets are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use.

Such assets measured at the lower of their carrying amount and fair value less cost to sell with gains and losses on re-measurement recognised in profit or loss. Once classified as held for sale, assets are no longer amortised, depreciated or impaired.

1.16 Cash and Cash Equivalents

Cash and Cash Equivalents include cash on hand and at bank, and deposits held at call with banks. Deposits having a maturity of three months or more from the date of acquisition are shown in the sub head "Other Bank Balances".

1.17 Inventories

Inventories are valued at cost or net realizable value, whichever is lower. The quantity and valuation of inventories at the yearend is taken as physically verified value and certified by the management.

1.18 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

1.19 Share capital and Other Equity

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.20 Prior Period Items

Material prior period errors are corrected retrospectively by restating the comparative amounts for prior period presented in which the error occurred or if the error occurred before the earliest period presented, by restating the opening statement of financial position.

1.21 Earnings per Share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity and potential equity shares outstanding during the year, except where the result would be anti-dilutive.

1.22 Segment Reporting

The Company operates in only one reportable business segment namely Real Estate Activities. Hence, no segment wise reporting / disclosure / revenue recognition is required as per Ind AS 108 as notified by the MCA.

1.23 Cash Flow Statement

Cash flow statement is prepared as per indirect method prescribed in the Ind AS 7 – "Statement of Cash Flows".

Sh

1.24 Financial Instruments

1.24.1 Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

1.24.2 Classifications and Subsequent Measurement

(i) Financial Assets

On initial recognition, a financial asset is classified as subsequently measured at either amortised cost or fair value through other comprehensive income ('FVTOCI') or FVTPL, depending on the contractual cash flow characteristics of the financial assets and the Company's business model for managing the financial assets.

(ii) Business Model Assessment

The Company makes an objective assessment of the business model in which an asset is held at a portfolio level, because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- The stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;
- The frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realized;
- The risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.24.3 Assessment whether contractual cash flows are solely payments of principal and interest

For the purpose of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company applies judgement and considers all the contractual terms of the instrument. This includes assessing whether the financial asset contains any contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the said assessment, the Company considers prepayment and extension terms, features that modify consideration of the time value of money (e.g. periodical reset of the interest rates).

1.24.4 Financial Assets at Amortised Cost

A Financial Asset is measured at amortised cost only if both of the following conditions are met:

- It is held within a business model whose objective is to hold assets in order to collect contractual cash flows.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Subsequently, these are measured at amortised cost using the effective interest rate (EIR) method less any impairment losses.

1.24.5 Financial Assets at Fair Value through Other Comprehensive Income ('FVTOCI')

A Financial Asset is measured at FVTOCI only if both of the following conditions are met:

- It is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- The contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Subsequently, these are measured at fair value and changes therein, are recognised in other comprehensive income. Impairment losses on said financial assets are recognised in other comprehensive income and do not reduce the carrying amount of the financial asset in the balance sheet

CIN: U70100DL2005GOI223060

Regd. Office – 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi – 110 019 (IN)

1.24.6 Financial assets at Fair Value through Profit and Loss (FVTPL)

Any financial instrument, which does not meet the criteria for categorisation as at amortised cost or as FVOCI, is classified as at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account.

1.24.7 Investment in equity instruments

All equity investments in scope of Ind AS 109 (i.e. other than equity investments in subsidiaries / associates / joint ventures) are measured at FVTPL.

Subsequently, these are measured at fair value and changes therein, are recognised in profit and loss account. However on initial recognition of an equity instrument that is not held for trading, the Company may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment by investment basis.

1.24.8 Financial liabilities and equity instruments

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss or amortised cost, as appropriate and is accordingly accounted for.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of directly attributable transaction costs."

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

1.24.9 Measurement Basis

(i) Amortised cost

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the EIR method of discount or premium on acquisition and fees or costs that are an integral part of the EIR and, for financial assets, adjusted for any loss allowance.

(ii) Fair Valuation

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects it non – performance risk.

When one is available, the Company measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. If there is no quoted price in an active market, then the Company uses valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction."

1.24.10 De-recognition / Modification of Financial Assets and Financial Liabilities

(A) De-recognition of Financial Assets and Financial Liabilities

(i) Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's balance sheet) when:

• The rights to receive cash flows from the asset have expired, or

• The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. The Company also recognise a liability for the consideration received attributable to the Company's continuing involvement on the asset transferred. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

On de-recognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset de-recognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in profit or loss.

(ii) Financial liabilities

The Company de-recognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

(B) Modifications of financial assets and financial liabilities

(i) Financial assets

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the modification results in de-recognition of the original financial asset and new financial asset is recognised at fair value.

If the cash flows of the modified asset are not substantially different, then the modification does not result in de-recognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset and recognises the amount arising from adjusting the gross carrying amount as a modification gain or loss in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset by recomputing the EIR rate on the instrument.

If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

(ii) Financial liabilities

The Company de-recognizes a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

If the modification is not accounted as derecognition, then the amortised cost of the liability is recalculated by discounting the modified cash flows at the original EIR and the resulting gainor loss is recognised in profit or loss. Any costs or fees incurred adjust the carrying amount of the modified financial liability and are amortised over the remaining term of the modified financial liability by recomputing the EIR rate on the instrument."

1.24.11 Offsetting of Financial Instruments

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet when the Company has a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

1.24.12 Impairment of Financial Assets

The Company recognises impairment allowances for ECL on all the financial assets that are not measured at FVTPL.

No impairment loss is recognised on equity investments.

ECL are probability weighted estimate of credit losses. They are measured as follows:

- Financial Assets that are not credit impaired as the present value of all cash shortfalls that are possible within 12 months after the reporting date.
- Financial Assets with significant increase in credit risk but not credit impaired as
 the present value of all cash shortfalls that result from all possible default events
 over the expected life of the financial asset.
- Financial Assets that are credit impaired as the difference between the gross carrying amount and the present value of estimated cash flows

CIN: U70100DL2005GOI223060

Regd. Office - 6th Floor, IFCI Tower, 61 Nehru Place, New Delhi - 110 019 (IN)

Undrawn Loan Commitments – as the present value of the difference between the
contractual cash flows that are due to the Company if the commitment is drawn
down and the cash flows that the Company expects to receive with respect to trade
receivables and other financial assets, the Company measures the loss allowance at
an amount equal to lifetime expected credit losses.

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets. For financial assets at FVTOCI, the loss allowance is recognised in OCI.

1.24.13 Write-off of Financial Assets

Financial assets are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write – off. This assessment is carried out at the individual asset level.

However, financial assets that are written off could still be subject to enforcement activities under the group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

Note No. 24.2

Terms / Rights attached to shares

The company has only one class of Equity Shares having a par value of Rs. 10 per share. Each holder of Equity Share is entitled to 1 vote per share. The dividend proposed by Board of Directors is subject to approval of shareholders in the ensuing Annual General Meeting. In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

NOTES FORMING PART OF BALANCE SHEET as at 31st March 2020

Note No. 55 - CONTINGENT LIABILITIES AND CAPITAL COMMITMENTS

As per the best estimate of the management, no provision is required to be made as per Ind AS - 37 notified by the MCA, in respect of any present obligation because of a past event that could lead to a probable outflow of resources, which would be required to settle the obligation.

Note No. 56 - EMPLOYEE BENEFIT PLANS

i. All the employees of the company whose salaries have been recognized in Note No. 43 are on deputation from its holding company i.e. IFCI Infrastructure Development Limited.

ii. Employee benefits expense of the company include Salary (CTC) charged by the holding company to the company on a periodical basis pertaining to the employees on deputation. Since all the employees of the company are on the rolls (contracts) of the holding company and the holding company is providing various benefits to its employees and all the employee benefit schemes are functioning for the total employees and not separately for the holding company and its subsidiary company, accordingly, Employee benefits towards leave encashment, gratuity and other retirement benefits in respect of employees posted on deputation basis, are paid and provided for by the holding company only.

Note No. 57 - IMPAIRMENT LOSSES

As certified by the management of the company, non financial assets of the company have not been impaired during the year and there is no indication of a potential impairment loss, therefore the need to make an estimation of recoverable amount does not arise.

Note No. 58

In the opinion of the management, the value on realization of current assets, loans & advances in the ordinary course of business would not be less than the amount at which they are stated in the Balance Sheet and provisions for all known liabilities have been made. However, the Balance of Security Deposits Recoverable, Other Current Financial Assets and Other Current Financial Liabilities are subject to confirmation from the respective parties.

(Amount in ₹)

Particulars	As at 31st March 2020	As at 31st March 2019
Buildings	37,76,92,400	37,76,92,400

(iv) Measurement of fair values

(iv.i) Fair Value Hierarchy

The fair value of investment property has been determined by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. The fair value measurement for all of the investment property has been categorised as a Level 3 fair value based on the inputs to the valuation technique used.

(iv.ii) Valuation Technique

The Company follows direct sale comparison technique. The valuation model considers the value of the subject property by comparing recent sales / listing of similar interest in the properties located in the surrounding area. By analysing sales which qualify as 'arms-length' transactions, between willing buyers and sellers, adjustments would be made for size, location, time, amenities and other relevant factors when comparing such sales price against the subject property. This approach is commonly used to value standard properties when cealisable sales evidence is available.
