Sh. _____

Dear Sir,

Sub: RTI Application no. IFCIL/R/E/22/00036 dated 30/08/2022- Information as per the provisions of the RTI Act, 2005.

Please refer to your RTI Application seeking information as per the provisions of the act.

2. Your reference is invited to the provision of Rule 3 of the Right to Information Rules, 2012 which provides for payment of Rs.10/- as fee for application under RTI Act and that the contents of said application cannot exceed more than 500 words. However, you have neither provided the complete BPL certificate (except the covering letter) nor paid any fee and also raised 106 queries which is in violation of the above rule 3 of Right to Information Rules, 2012. In this regard, please refer to the decision of Hon'ble CIC in the matter of Sameer Sardana (CIC/MPOTR/A/2018/637412) whereby it is observed as under:-

"The Commission is of the view that as much as the CPIO has a statutory responsibility to comply with the provisions of the RTI Act, the Applicants filing a request under RTI Act should also keep in mind that they should not transgress the letter and spirit of the RTI Act by flooding RTI Applications, which are cumbersome, protracted and circumlocutory in nature. The Commission severely admonishes the Appellant for going beyond the stipulated word limit, which has not only troubled the Respondent to ascertain what information has been sought and pertains to which Department".

3. Please note that IFCI Ltd. had become Govt. of India Company as per Sec 2(45) of the Companies Act, 2013 in the year 2015 and is a NBFC registered with Reserve Bank of India. A large number of information which is sought vide present application is already available in the public domain in the shape of voluntary disclosures (as per sec 4(1)(b) of the RTI Act, 2005) as well as RTI replies which are available on the website of IFCI Ltd.
