

# Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons and their Immediate Relatives

(Last Reviewed as on April 16, 2025)

### I. Preface:-

- 1. This Code is framed under the SEBI (Prohibition of Insider Trading) Regulations, 2015.
- 2. This Policy shall become effective from April 1, 2019 and as amended from time to time.

### **II. Definitions:**

- 1. "Act" means the Securities and Exchange Board of India Act, 1992;
- 2. "Board" means the Securities and Exchange Board of India;
- 3. "Company" means IFCI Limited
- 4. "Compliance Officer" means any senior officer, designated so and reporting to the board of directors or head of the organization in case board is not there, who is financially literate and is capable of appreciating requirements for legal and regulatory compliance under these regulations and who shall be responsible for compliance of policies, procedures, maintenance of records, monitoring adherence to the rules for the preservation of unpublished price sensitive information, monitoring of trades and the implementation of the codes specified in these regulations under the overall supervision of the board of directors of the listed company or the head of an organization, as the case may be. "Financially Literate" shall mean a person who has the ability to read and understand basic financial statements i.e. balance sheet, profit and loss account, and statement of cash flows.

Compliance Officer shall be the Officer at-least at the rank of Deputy General Manager, Company Secretary Department for ensuring compliances under this Code.

# 5. "Connected Person" – means:

- (i) any person who is or has during the six months prior to the concerned act, associated with a Company, in any capacity, directly or indirectly, including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship or by being a director, officer or an employee of the Company or holds any position including a professional or business relationship, whether temporary or permanent, with the company, that allows such a person, directly or indirectly, access to unpublished price sensitive information or is reasonable expected to allow such access.
- (ii) Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected person unless the contrary is established, -
- (a) A relative of connected persons specified in clause (i); or
- (b) A holding company or associate company or subsidiary company; or
- (c) An intermediary as specified in section 12 of the Act or an employee or director thereof; or

- (d) An investment company, trustee company, asset management company or an employee or director thereof; or
- (e) An official of a stock exchange or of clearing house or corporation; or
- (f) A member of board of trustees of a mutual fund or a member of the board of directors of the asset management company of a mutual fund or is an employee thereof; or
- (g) A member of the board of directors or an employee, of a public financial institution as defined in section 2 (72) of the Companies Act, 2013; or
- (h) An official or an employee of a self-regulatory organization recognised or authorized by the Board; or
- (i) A banker of the company; or
- (j) A concern, firm, trust, Hindu undivided family, company or association of persons wherein a director of a company or his relative or banker of the company, has more than 10% of the holding or interest; or
- (k) A firm or its partner or its employee in which a connected person specified in point (i) above is also a partner; or
- (I) A person sharing household or residence with a connected person specified in point (i) above.

NOTE: It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of unpublished price sensitive information. Relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may seemingly not occupy any position in a company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.

6. **"Other Connected Person"** – The term covers the outsourced staff of IFCI hired through third party agency or on third party contract being designated in the company.

# 7. "**Designated Person**" shall include:

- a) Government of India, being the Promoter of the Company;
- b) Directors of the Company:
- c) Chief Executive Officer, Whole Time Directors, Group Financial Advisor, Executive Directors, Chief Financial Officer, Company Secretary and all the employees of the Company;
- d) Employees of material subsidiaries designated on the basis of their functional role or access to unpublished price sensitive information in the organization by their Board of Directors;
- e) Chief Executive Officer and employees upto two levels below Chief Executive Officer of the material subsidiaries irrespective of their functional role in the company or ability to have access to unpublished price sensitive information;

- 8. "Material Subsidiary" shall mean a subsidiary, whose turnover or net-worth exceeds 10% of the consolidated turnover or net-worth respectively, of the listed entity and its subsidiaries in the immediately preceding accounting year.
- 9. "Generally Available Information" means information that is accessible to the public on a non-discriminatory basis and shall not include unverified event or information reported in print or electronic media.

NOTE: It is intended to define what constitutes generally available information so that it is easier to crystallize and appreciate what constitutes unpublished price sensitive information. Information published on the website of a stock exchange, would ordinarily be considered generally available.

- 10."**Legitimate Purposes**" shall include sharing of unpublished price sensitive information in the ordinary course of business by an insider with partners, collaborators, lenders, customers, suppliers, merchant bankers, legal advisors, auditors, insolvency professionals provided that such sharing has not been carried out to evade or circumvent the prohibitions of these regulations.
- 11. "**Immediate Relative**" means a spouse of a person, and includes parent, sibling and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities.
- 12. "**Insider**" means any person who is:
  - (i) A connected person; or
  - (ii) In possession of or having access to unpublished price sensitive information

NOTE: Since "generally available information" is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered as an "insider" regardless of the manner in which one came into possession of or had access to such information. Various circumstances are provided to enable such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person levelling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.

13. "**Promoter**" shall have the meaning assigned to it under the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 or any modification thereof.

- 14. "Relative" shall mean the following:
  - (i) spouse of the person;
  - (ii) parent of the person and parent of its spouse;
  - (iii) sibling of the person and sibling of its spouse;
  - (iv) child of the person and child of its spouse;
  - (v) spouse of the person listed at point (iii) above; and
  - (vi) spouse of the person listed at point (iv) above.

NOTE: It is intended that the relatives of a "connected person" too become connected persons for the purpose of these regulations. It is a rebuttable presumption that a connected person had UPSI.

- 15. "**Securities**" shall have the meaning assigned to it under the Securities Contracts (Regulation) Act, 1956 or any modification thereof;
- 16. "**Trading**" means and includes subscribing, redeeming, switching, buying, selling, dealing or agreeing to subscribe, redeem, switch, buy, sell, deal in any securities, and "trade" shall be construed accordingly.

NOTE: Under the parliamentary mandate, since the Section 12A (e) and Section 15G of the Act employs the term 'dealing in securities', it is intended to widely define the term "trading" to include dealing. Such a construction is intended to curb the activities based on unpublished price sensitive information which are strictly not buying, selling or subscribing, such as pledging etc. when in possession of unpublished price sensitive information.

- 17. "**Trading Day**" means a day on which the recognized stock exchanges are open for trading.
- 18. "**Trading Window**" means a permissible trading period for trading in the Securities of IFCI Limited, as specified by the company from time to time.
- 19. "**Unpublished Price Sensitive Information**" means any information, relating to a company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily including but not restricted to, information relating to the following: –
- (i) Financial Results;
- (ii) Dividends;
- (iii) Change in capital structure;
- (iv) Mergers, De-Mergers, Acquisitions, De-listings, Disposals and expansion of business, award or termination of order/contracts not in the normal course of business and such other transactions;
- (v) Changes in key managerial personnel, other than due to superannuation or end of term, and resignation of a Statutory Auditor or Secretarial Auditor;
- (vi) Change in rating(s), other than ESG rating(s);
- (vii) Fund raising proposed to be undertaken;

- (viii) Agreements, by whatever name called, which may impact the management or control of the company;
- (ix) Fraud or defaults by the company, its promoter, director, key managerial personnel, or subsidiary or arrest of key managerial personnel, promoter or director of the company, whether occurred within India or abroad;
- (x) Resolution plan/ restructuring or one-time settlement in relation to loans/borrowings from banks/financial institutions;
- (xi) Admission of winding-up petition filed by any party /creditors and admission of application by the Tribunal filed by the corporate applicant or financial creditors for initiation of corporate insolvency resolution process against the company as a corporate debtor, approval of resolution plan or rejection thereof under the Insolvency and Bankruptcy Code, 2016;
- (xii) Initiation of forensic audit, by whatever name called, by the company or any other entity for detecting mis-statement in financials, misappropriation/ siphoning or diversion of funds and receipt of final forensic audit report;
- (xiii) Action(s) initiated or orders passed within India or abroad, by any regulatory, statutory, enforcement authority or judicial body against the company or its directors, key managerial personnel, promoter or subsidiary, in relation to the company;
- (xiv) Outcome of any litigation(s) or dispute(s) which may have an impact on the company;
- (xv) Giving of guarantees or indemnity or becoming a surety, by whatever named called, for any third party, by the company not in the normal course of business;
- (xvi) Granting, withdrawal, surrender, cancellation or suspension of key licenses or regulatory approvals.

# Explanation 1 - For the purpose of sub-clause (ix):

- a. 'Fraud' shall have the same meaning as referred to in Regulation 2(1)(c) of Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003.
- b. 'Default' shall have the same meaning as referred to in Clause 6 of paragraph A of Part A of Schedule III of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Explanation 2 - For identification of events enumerated in this clause as unpublished price sensitive information, the guidelines for materiality referred at paragraph A of Part A of Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as may be specified by the Board from time to time and materiality as referred at paragraph B of Part A of Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 shall be applicable.

NOTE: It is intended that information relating to a company or securities, that is not generally available would be unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain. The types of matters that would ordinarily give rise to unpublished price sensitive information have been listed

above to give illustrative guidance of unpublished price sensitive information.

# III. Principles of Fair Disclosure for purposes of Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information

All information shall be handled within the organisation on a need-to-know basis and no unpublished price sensitive information shall be communicated to any person except in furtherance of legitimate purposes, performance of duties or discharge of legal obligations. The timing of the re-opening of the trading window shall be determined by the Compliance Officer taking into account various factors including the unpublished price sensitive information in question becoming generally available and being capable of assimilation by the market, which in any event shall not be earlier than 48 hours after the information becomes generally available.
