

RFE-Channel Partners for IT enabled Services

Dated: 18.11.2025

CORRIGENDUM

RFE No. IFCI/IT-Advisory/RFE/2025-26/01 dated 28.10.2025

Request for Empanelment (RFE) of Channel Partners for Design, Implementation, Maintenance & Business Development of IT Products and for providing IT resource & managed services for IT related activities

Sl. No.	RFE Reference	Existing Clause	Clarification
1	Page 9: Section "Mandatory Criteria (Pre-Qualification Stage1)" – Sl. No. 2 - II.	The Vendor must have expertise in: a) Developing new portals from scratch in Python (Django), Oracle APEX or MERN/MEAN stack using microservices architecture. b) Mobile development expertise using cross-platform frameworks such as Flutter or React Native c) Expertise in cloud technologies like AWS or AZURE	Vendors are not required to demonstrate expertise in all the listed technology stacks. Experience and capability in any one or more of the mentioned technologies will be considered sufficient for eligibility and further evaluation under this RFE.
2	Page 10: Section B. Technical Evaluation: (Stage2) Sl. No. – 1 and 2	Copy of Work Order in name of the Vendor explicitly mentioning the project and it's value	For evaluation purposes, vendors may submit copies of work orders, work completion certificates, or client-issued documents clearly indicating the project scope, value, and completion status.
3	Page 10: Section "Mandatory Criteria (Pre-Qualification – Stage1)" – Sl. No. 5	The Vendor must have an office registered in India and a branch office / Head office in Delhi-NCR for at least 5 years from the date of issuance of bid.	To enable wider participation, IFCI will accept a formal undertaking from the vendor confirming that a fully functional office in the Delhi-NCR region will be established, if not currently present, within three (3) months of empanelment. The vendor shall submit appropriate documentary evidence (e.g., lease agreement, registration documents) upon establishing the office. Non-compliance within the stipulated period may lead to cancellation of empanelment. This relaxation is provided to support vendor participation while ensuring IFCI's requirements for effective coordination and onsite support are duly met.

Sl. No.	RFE Reference	Existing Clause	Clarification
4	Page 11: Section B. Technical Evaluation: (Stage2) Sl. No. – 3	Vendor must have the minimum number of technical resources (in Active Employment) in following areas: Vendor must have the minimum number of technical resources (in Active Employment) in following areas: a. Django Python, MEAN/MERN stack, Oracle APEX or mobile development (Flutter or React Native) with minimum 6 years of experience i. For 75 or more : 20 mark ii. For 50 to 75 : 5 mark iii. For 25 to 50 : 1 mark b. Postgres SQL, MySQL, MongoDB or Oracle expertise i. 15 or more : 9 mark ii. 5 to 15 : 3 mark iii. Below 5 : 1 mark c. Unix/Linux System Administrator shell scripting i. 10 or more : 3 mark ii. 2 to 10 : 2 mark iii. Below 2 : 1 mark d. Cloud architects, cloud engineers, cloud security specialists, data engineers, cloud administrators in AWS or AZURE i. 21 or more : 5 mark ii. 11 to 20 : 3 mark iii. Below 10 : 1 mark e. CI/CD pipeline setup and management experience i. 5 or more : 3 mark ii. 2 to 4 : 2 mark iii. Below 2 : 1 mark	The RFE includes widely used enterprise and open-source technology stacks which sufficiently cover the current and foreseeable technology requirements of IFCI. Vendors having capabilities in related or compatible technologies (for example, PHP Laravel) may highlight such expertise within the existing framework of the listed categories, wherever technically relevant. It is also clarified that vendors are not required to demonstrate expertise in all the listed technologies. Experience and resource strength in any one or more of these stacks will be considered for eligibility and technical evaluation purposes.
Sl. No.	RFE Reference	Existing Clause	Corrigendum/ Addendum
1	Page:5 Section: 3 Key Events & Dates Sl. No: 6 & 7	Last date & time of submission of the empanelment application: 28/11/2025; 13:00 Hrs Date & time of opening of the application: 28/11/2025; 17:00 Hrs	Last date & time of submission of the empanelment application: 15/12/2025; 17:30 Hrs Date & time of opening of the application: 16/12/2025; 12:00 Hrs
2	Page11: Section B. Technical Evaluation: (Stage2) Sl. No. – 3 a.	Django Python, MEAN/MERN stack, Oracle APEX or mobile development (Flutter or React Native) with minimum 6 years of experience i. For 75 or more: 20 marks ii. For 50 to 75: 5 marks iii. For 25 to 50: 1 mark	After due consideration, IFCI has revised the scoring bands for resources with a minimum of six years of experience in Django/Python, MEAN/MERN, Oracle APEX, or mobile development (Flutter/React Native) to ensure broader participation while maintaining technical rigor. The revised scoring is as follows: • 75 or more resources: 20 marks • 50 to 75 resources: 15 marks • 25 to 50 resources: 7 marks These changes offer a more balanced and graduated evaluation framework, enabling fairer comparison among vendors without compromising on the required delivery capacity.

Sl. No.	RFE Reference	Existing Clause	Corrigendum/ Addendum
3	Page 11: Section B. Technical Evaluation: (Stage2) Sl. No. – 3	Declaration by Authorized Signatory on Letterhead along with proof of certifications	“Proof of Certifications” refers to valid documents that demonstrate the technical competency of the proposed resources. These may include any of the following, as applicable: • Certificates issued by recognized training organizations, or industry-accredited bodies, where available; • Internal HR records or declarations confirming the employee’s relevant technical experience; • Project experience documentation indicating the individual’s role and technology expertise. Where formal certifications are not available, a self-declaration from the Vendor’s authorized signatory will be accepted as proof, subject to random verification by IFCI.
4	Page 14: Section 7.1.1 & 7.1.2	Tender documents should be submitted in physical mode only in the box provided at IFCI Tower.	IFCI will accept submissions by courier. But courier should be delivered within the prescribed time limit. Responsibility of timely delivery will rest on prospective bidder.

All other terms and conditions of the RFE issued on 28.10.2025 will remain unchanged.
