Dear Sir,

In the above subject, I beg to state that my father late Shri Ram Lal Sony S/o Late Sh. Bajrang Lal Sony Res. of New Market, Sujangarh, Dist. Chhuk (Raj.)-331507 purchased five IFCI family Bonds as well as millionaire Bonds in 1996. Each bond has a value of Rs. 10,000/- for the period of 30 years. After 30 years each bond was to be valued at Rs. 10 Lacs. Those purchase value was paid by PNB Sujangarh bk. in cash. These Bonds are as following:-

- (1) Jai Prakash Sony S/o Ram Lal Sony, F.No. 5216022 of Rs. 10,000/- paid by PNB Sujangarh on dtd. 02-08-1996.
- (2) Radhey Shyam Sony S/o Ram Lal Sony, F.No. 5216023 of Rs. 10,000/- paid by PNB Sujangarh on dtd. 02-08-1996.
- (3) Ku. Puja Sony S/o Ram Lal Sony, F.No. 5216035 of Rs. 10,000/- paid by PNB Sujangarh on dtd. 05-08-1996.
- (4) Karhaya Lal Sony S/o Ram Lal Sony, F.No. 5216036 of Rs. 10,000/- paid by PNB Sujangarh on dtd. 05-08-1996.
- (5) Vishnu Kumar Sony S/o Ram Lal Sony, F.No. 5216037 of Rs. 10,000/- paid by PNB Sujangarh on dtd. 05-08-1996.

But it is very regret that after some years or in Aug. 2008, you called the original bonds for Redemption, which is proved by your lett. No-Res/FB/IFCI/HO/2008-3405 dtd. August 8, 2008. So that my father Lt. Sh. Ram Lal Sony had sent all the original bonds to your Co. office. But it is very sad that you had not made any response to yet, and never paid any remuneration against the bonds.

Therefore, I want to say in clear words that you & your Co. are directly responsible for our investment money of Rs. 50,000/- We are in good faith that after 30 years of long wait our investment will provide us a sum- some amount. Therefore, I am desired to ask you the present position of our investment. Because a very long period of 24 years has passed and a very short period of only 2 years is rest.

So please intimate us the actual position of our investment and give me the full information about our future payment of the bonds. If you will neglect my matter and not response of the letter, I warn you, I never left my money, any how. I will have to knock the door of the competent court against you & your Co.

So please satisfy us that our invested money is safe and our bonds would be paid with consequential benefits. I hope you will understand your hard responsibility and send a satisfactory reply of the letter within responsible time.

P.T.O.
