No. IFCI/RTI/938/2021 - 210802004

Dated: 02nd August, 2021

To,

Andhra Pradesh- 517644.

Dear Sir,

Sub: RTI Application dated 28/06/2021 received by IFCI Ltd. on 05/07/2021- Information sought under RTI Act, 2005.

Please refer to your captioned RTI Application seeking information under the provisions of the RTI Act, 2005.

2. It is informed that IFCI Ltd. had received communication letters from CVC/CBI for initiation of the Disciplinary Proceedings against the employees of IFCI, detailed as under:-

S.N	Year	Agency/Authority	No. of letters
1.	2015-2018	CBI	No such record available.
2.	2019	CBI	1
3.	2020	CBI	1

S.N	Year	Agency/Authority	No. of letters
1.	2015-2016	CVC	No such record available.
2.	2017	CVC	2
3.	2018	CVC	2
4.	2019- 2020	CVC	No such record available.

3. The copies of the above said letters contains various details including the names of the employees etc. and the disclosure of such information will cause unwarranted invasion on the privacy of the said employees and as such protected from disclosure as per the provisions of the RTI Act, 2005. Further the reference is also drawn to the judgment of the Hon'ble SC in the case titled as "Girish Ramchandra Deshpande Vs CIC" wherein the Hon'ble Court observed as under:-

"We are in agreement with the CIC and the courts below that the details called for by the petitioner i.e. copies of all memos issued to the third respondent, show-cause notices and orders of censure/punishment, etc. are qualified to be personal information as defined in clause (j) of Section 8(1) of the RTI Act. The performance of an employee/officer in an organisation is primarily a matter between the employee and the employer and normally those aspects are governed by the service rules which fall under the expression "personal information", the disclosure of which has no relationship to any public activity or public interest. On the other hand, the disclosure of which would cause unwarranted invasion of privacy of that individual. Of course, in a given case, if the Central Public Information Officer or the State Public Information Officer or the appellate authority is satisfied that the larger public interest justifies the disclosure of such information, appropriate orders could be passed but the petitioner cannot claim those details as a matter of right."

3. The details of the First Appellate Authority is as under:-
